The Boise ball players changed the color of their sox yesterday, and some wag in the grand stand said this was the cause of the downfall of the Elders. Bill Carney said this is not true. The real cause, says Bill, is that they could not get socks that were mates in Boise and had to wait until they cane to Sait Lake.

Harry Joseph was the prophet in the grand stand yesterday. When Thornton got that home run. Harry called it and said the ball would land out where a white horse stood. It did, and Thornton would do it again, and the only reason he siid not was because he got out of wind when he réached third.

Salt Lake is the only team in the league that has a grown up man at short. Deimas could stow away Bresino, Smith and Raymond in one of those big pockets in his coat.

Let us not forget what Senator Smoot said at Los Angeles:

"You have some knockers in Los Angeles and we have some in Sait Lake. We have a mountain of brimstone in Utah, and you can ship them up there and they can make a hell of their own."

This should serve as a warning, because Smoot always delivers the goods.

Same Old Story in Same Old Way,

SAM BROWNING TO REFEREE

When it was announced yesterday that the score in Ogden stood 2 to 0 in favor of Spokane in the third inning, a fan in the grand stand stood up and said: "I guess Clark, Gimlin and Hausen have not come to bat yet."

Eddie Hahn got away with three hits yesterday, which is doing well on his second game in the big league.

Darby O'Brien nearily equaled Delmas circus catch of Wednesday when he pulled down Kellackey's Texas leaguer in the fifth.

Pitcher Durham feit somewhat out of sorts after the game last evening and told several of the players that he intended to quit the team. Later on he asked Secretary H. O. Shepard for his release, and was told to go to the team manager if he had any grievances.

Delhi Wins the Great Brooklyn Han-OSTRICH IN SECOND PLACE

ABOUT 30,000 PERSONS SEE TRAVELING MEN TO GO

New York May 25.—Delhi, last year's champion "miler," carried the Keene tolors to an easy victory this afternoon at Gravesend in the Brooklyn handicap. The speedy son of Ben Brush thereby enriched his owner in the sum of \$16,000, while Ostrich, from the Sustion stable, captured second money, \$2,500, and Graziallo, the Columbia stable's candidate, won third money, amounting to \$1,500. About 30,000 persons were on the grounds, the attendance being somewhat less than the average on handicap days because of the advance in prices at the gates.

Delhi was favorite in the betting and carried thousands upon thousands of the speed to Eureka season, and the travelers will come down on a special train on the Strongest bunch that has been to Eureka that has the will be played on the Minner's team next Sunday. As good as 4 to 1 could be had against his chances at first, but the flood of wagers forced his price to 5 to 2 in a few minutes.

Colonial Girl Led.

The start was from a chute from the left of the stand. Colonial Girl drew the rail position, and when the barrier went up, showed for a brief space in whit up, slowed for a oner space in front. Not for long, however, were the Rowe colors to lead, for Delhi rushed to the fore, under vigorous urging, and when the racers scurried past the judges' stand he already held a companding position.
